John J. Mitchell, Committee Counsel for the New Committee on the Katyn Forest Massacre, wants to arrange an appointment for General Smith to meet Congressman Ray J. Madden, Chairman of this Committee, either tomorrow morning, 18 Oct., or Friday morning, 19 Oct. Mr. Mitchell said that Congressman Madden would not be able to come over to Gen. Smith's office in the afternoon because Congress is in session, but could make it in the morning. He suggested maybe Gen. Smith wouldn't mind coming over there if he wanted the appointment for the afternoon. In the morning, any time before 11:00 or 11:30 would be fine for them to come here.

Mitchell asked that he be called in Congressman Madden's office - Code 190 - Ext. 423 or 1862. If he isn't there, the message can be left with Mrs. McGlooin.
